ABOUT US

BBF Company is a beverage manufacturer, offering customers many brands in various markets around the world, especially in Kosovo, Albania, Macedonia and Bulgaria.

In addition to Pit Power energy drink and Fruttavit juice, the company also produces other brands such as Forza, Big Eagle, Insomnia, Big Dog, Simba, VRG Drinks, Top Fruit and Dr Fruit.

Since its inception in 1997, BBF Company has been continuously working on improving and developing products following the trend of innovation and creation.

Together with our sales partners and customer loyalty, our company employs more than 100 workers, offering them the most up-to-date conditions under labor law.

MISSION

Meeting customer requirements is the mission of BBF Company, always without compromising on quality.

VISION

Our vision is to continue the consistency created over the years in terms of quality and correctness to our customers and partners.

GOAL

Being a quality leader is the main and primary goal of BBF Company - energy, freshness and happiness.

ENERGY | FRESHNESS | HAPPINESS

PIT POWER

Energy Drink made especially for moments of high physical and mental strain. It increases physical sustainability, focus and speed reaction; improves vigilance, emotional state and stimulates the metabolism. It's not preferred to be used by people sensitive to caffeine, diabetics, pregnant women and children, and people with heart disease. It's not preferred to be used in compound with alcohol. Ingredients: water, sugar, dextrose, CO₂, citric acid E330, taurine (40mg/100ml), caffeine (32mg/100ml), caramel color 150a, tutti frutti flavour, sodium citrate E331, B5, B6 vitamin, niacin and biotin. Best before: See the mark on the bottom! Storage in a dry and cool place, protect from direct sunlight.
